I am willing to allow the above named child to take part in church outings between the dates given above. I will inform Father Stephen McGrattan if he/she comes into contact with any infectious disease or develops a health problem.

He/she *does/does not suffer from diabetes. He/she *does/does not suffer from epilepsy. (Any weakness or disability calling for special care or attention should be mentioned on the reverse of this form).

In the event of my son/daughter being taken ill or injured at a church event between the dates given above to the extent that a surgical operation or a serum injection becomes necessary, I authorise Father Stephen McGrattan or another authorised parish youth leader, to sign on my behalf any forms of consent requested by the medical authorities provided the delay required to obtain my own signature might be considered likely in the opinion of the doctor or surgeon concerned to endanger my son/daughter's health or safety. Neither signatory nor the parish, its servants or agents, shall be under any liability as a result of signing the form of consent and that the parents will indemnify the signatory, the parish, its servants or agents in respect of any claim by their child as a result thereof.

I understand that during church outings my son/daughter will be in the charge and under the supervision of the group leaders, and that whilst the leaders will take all reasonable care of my son/daughter they cannot be held responsible for any loss, damage, or injury suffered by him/her arising during or out of the event. The leaders, the Parish, its servants or agents cannot be held responsible for any loss or damage of personal effects. The parents will indemnify the leaders, the parish, its servants or agents against any claim instituted by or on behalf of their child.
